**Saturday, 11 October 2025**

African Resources Watch, AFREWATCH, deeply regrets to announce to all its national and international partners, as well as to the general public, the death of Mr Jacques Kabulo, Director of the Governance Program, who passed away on 11 October 2025 in Lubumbashi following a period of hospitalisation.

AFREWATCH extends its deepest condolences to his family, loved ones and colleagues. His unwavering commitment, enlightened leadership, expertise and passion for fair and equitable governance of natural resources in the DRC and Africa will remain etched in our memories and continue to inspire our fight for social justice.

You were a strong voice for the voiceless, a pillar of our institution.

The Lord gave, and the Lord hath taken away. May His name be glorified.  
The funeral arrangements will be communicated to you at a later date.
